

Meet  
Cinnamon...

# Hello

I am so honored to meet you! Words cannot express how much I admire you, and your courage to consider an adoption plan for your child.

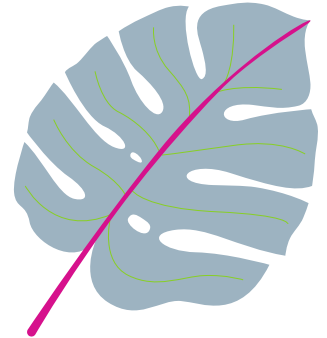

My heart is overflowing with so much love and gratitude for the opportunity to adopt a child. My biggest dream is to become a mother - to care for and love a child with all my heart.

I have watched the joys of friends and family as they raised their children and I am excited to have a family of my own.

As a parent, I will strive to raise an extraordinary human being with values and a strong desire to make a difference in this world.

Thank you so much for considering me as an adoptive parent for your child.

Sincerely,  
*Cinnamon*

*A little about me*

Loving, Strong, Creative

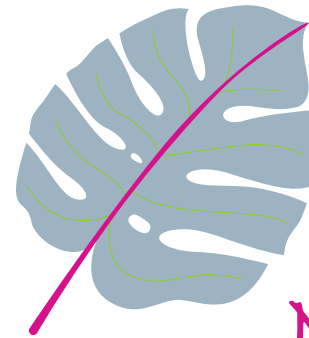

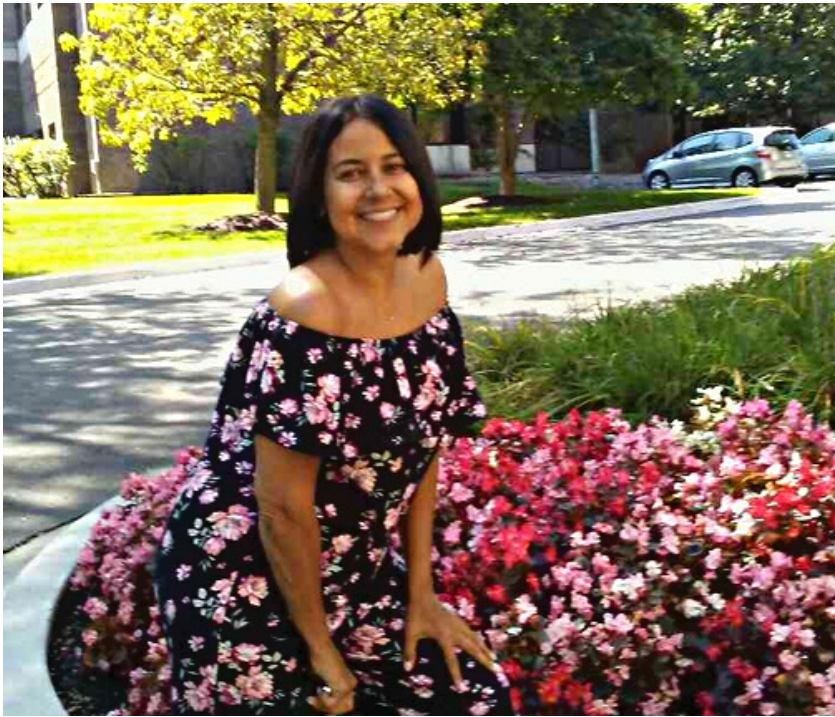

**I would describe myself as:** caring, mighty, empathetic, kindhearted & an excellent listener

**Fun fact:** My nicknames are Cinnabon, Cinny & CJ

**My philosophy:** It is the simple things in life that are important to me - a good home, health and happiness. I will teach my child to ENJOY life (not watch it on TV!). They will learn about love, respect, hard work, and most of all FUN. :)

# My Favorite Things

- Walking my dog Max (more about him later!)
- Decorating & entertaining
- Cooking Puerto Rican and Polish food from my background
- Gardening - I have lots of hydrangeas
- Sitting at my piano playing all my favorite songs
- Doing Zumba
- My career in fashion - I am currently working for Ralph Lauren, but I am fortunate to have enough resources to stay home for good, after the baby is born. :)

# My Family

I am very close with my family and they are a HUGE part of my life! They all live just minutes away. My parents, Jeannie & Hector, were my best teachers. I have two brothers, Cary & Cristian. Cary has a son, Gabriel, who I have been close with since he was born.

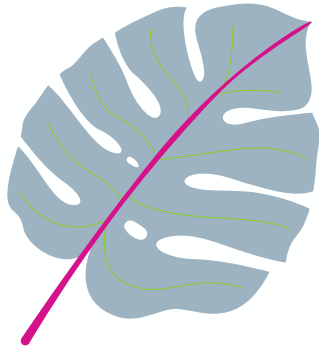

My parents both come from big families and I am close with all my aunts, uncles and cousins, including several little ones. They can't wait to welcome a new member to the family!

# What is Important to me

Faith

Family

Fun

I was raised in the Catholic tradition and I would like to pass that family faith heritage on to my child. I would love for them to attend catechism, and take their first communion as I did.

I believe a baptism is a beautiful occasion, and the tradition of godparents, who would be there for the child that day, and as they grow up.

I will also pass on the things that I was taught as a child that are important to me - respect for others, hard work, and most of all FUN!

# Friends & Community

I have a wonderful group of close friends who are like family to me. My best friend Margaret has been my best friend since first grade and her daughter is my goddaughter.

I have many other lifetime friends and neighbors who are dear to me and form my support system. I am fortunate to have so many amazing people in my life and they cannot wait to shower my child with love!

# My Sweet Pup

Maximus, my 12-year-old Belgian Melonois baby, is the sweetest animal in the universe. He loves to play and fetch tennis balls! ;) He is so gentle and great with kids - since my nephew Gabriel was born, they have been inseparable!

# Home

I live in a large three bedroom home with a huge yard full of beautiful trees, flowers and gardens.

I have an adjoining room off my bedroom, so the baby will always be near me. And the baby has a closet to hold all their outfits! ;)

I live in a beautiful town. There are two parks and a school within walking distance, and my parents are just two blocks away! My neighbors are also wonderful, and cannot wait to meet my child!

# Travel

I love traveling and our family loves taking trips together!

Some of my favorite places are Naples Florida, Aruba, and Mykonos Greece. The culture and the amazing food in Mykonos is enough to make you want to move there!

I cannot wait to show my child the world!

# Holidays & Traditions

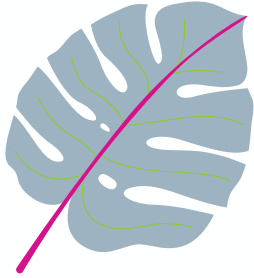

We love holidays and we have lots of fun traditions!

- Apple picking every Fall (my nephew Gabriel & I have done this since he was little)
- Shamrock Shuffle 8K each year with my brothers
- Celebrating my b-day with my Mom (we share the same b-day!)
- Going to car shows with my dad on Father's Day
- Decorating home & yard with Christmas lights

I cannot wait to make new traditions with my child!

Message  
from my Mom...

"Cinnamon has a **HEART** of gold.

The **LOVE** she will have for her child will be as pure as the first breath of spring. I know that she will be the ultimate source of **HAPPINESS** and **GUIDANCE** for her child.

And she will have nothing but unwavering **DEVOTION** for her child, for a lifetime."

# Closing Thoughts

Thank you for viewing my profile, it was made with **YOU** in mind.

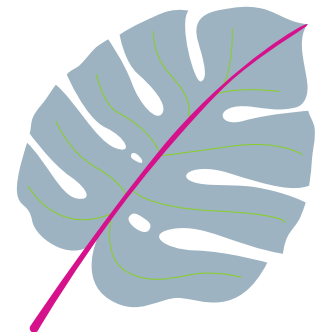

You are a true angel to me. Few people possess the considerate, unselfish, loving heart that you have, to be considering adoption for your child.

I know you are spending sleepless nights thinking about who will raise your child and love them as their own. And I pray that you see me in this beautiful and important role.

It would mean more to me than you can imagine and fulfill my greatest dream to become a mother.

And if you choose me to be the adoptive mother for your child, I would fight for you and your child to the ends of the earth.

No matter what you decide, please know you hold a very special place in my heart and soul.
